## RODLIN DESIGN

Rodlin Design was awarded the tender for the supply and fitment of seats to the new Grand Arena situated at GrandWest Casino and Entertainment World, Cape Town.

This multi-purpose venue was completed in October 2007 and accommodates up to 7000 persons for a capacity event.

We have been very happy with the Rodlin product. Furthermore the installation of the seats was conducted by the Rodlin team well within the contractual programme and in a very systematic and professional manner requiring minimal involvement by the Principal Contractor, WBHO.

Rodlin's Rodger Gilson was at all times proactive and responsive to the client's needs and requirements.

Yours sincerely

Nick Webb  
Sun International Development Manager
